EXAMINER'S COMMENT

1. I have written this paragraph to explain why the amendment filed September 26, 2005 is now being entered. The amendment filed October 6, 2005 is premised on the amendment filed September 26, 2005 being entered. Previously, as of the advisory action mailed October 4, 2005, the amendment filed September 26, 2005 had not been entered. It is, of course, possible to deny entry of the amendment dated October 6, 2005 and require a third amendment in which the subject matter added in the September 26, 2005 and October 6, 2005 amendments is underlined and properly labeled. To me, it seems more efficient to enter both amendments and pass the application to issue rather than entering neither amendment and having a third amendment submitted. Therefore, **I am now entering the amendment filed October 6, 2005 and the amendment filed September 26, 2005.**
